Education

2022–27 (Expected)	Doctor of Philosophy (Mathematics) Advisor: Spencer Unger	University of Toronto (UofT)
2018–22	Bachelor of Science (Mathematics) with second major in Statistics GPA: 4.95/5.00 (Highest Distinction)	National University of Singapore (NUS)

Papers

2. **Full mad families of vector spaces and two local Ramsey theories**, to appear in *Fundamenta Mathematicae*.

1. **Weak A2 spaces, the Kastanas game and strategically Ramsey sets**, to appear in the *Journal of Symbolic Logic*.

Preprints

1. **Projections between Ramsey quasi-orders and topological Ramsey spaces** (with Spencer Unger), preprint.

Invited Talks

Aug 2026	**Weak A2 spaces, the Kastanas game and strategically Ramsey sets**, Logic seminar, National University of Singapore, Singapore
Nov 2025	**Projections between topological Ramsey spaces** (Lightning talk), Infinite Structural Ramsey Theory, Banff International Research Station, Alberta, Canada
Oct 2025	**Definability of mad families of vector spaces and the fullness property**, North American Descriptive Set Theory Meeting, Brin Mathematics Research Center, Maryland, USA
Feb 2025	**Weak A2 spaces, the Kastanas game and strategically Ramsey sets**, Logic seminar, University of Waterloo, Ontario, Canada
Nov 2024	**An alternative proof to the Mathias-Silver theorem using the Kastanas game**, 2024 CMS Winter Meeting, British Columbia, Canada
Oct 2024	**Weak A2 spaces, the Kastanas game and strategically Ramsey sets**, Logic seminar, University of Maryland, Maryland, USA

Internal Talks

Nov 2026	**Projections between Ramsey quasi-orders and topological Ramsey spaces**, Set theory seminar, University of Toronto, Ontario, Canada
Feb 2026	**There is a completely separable mad family of vector spaces**, Set theory seminar, University of Toronto, Ontario, Canada
Mar 2025	**Mad families of vector spaces**, Set theory seminar, University of Toronto, Ontario, Canada
Mar 2024	**Weak A2 spaces and Ramsey games**, Set theory seminar, University of Toronto, Ontario, Canada

Awards

2026	UofT	**Daniel B. DeLury Teaching Assistant Award**
2025	UofT	**John Robert Gilkison Smyth Mathematics Scholarship**
2025	UofT	**Ida Bulat Memorial Graduate Fellowship**
2024	UofT	**Margaret Haviland Kennedy Memorial Scholarship Fund**
2022	UofT	**Blyth Fellowship**
2022	NUS	**Leong Teng Kiang Memorial Prize in Mathematics**
2022	NUS	**Lijen Industrial Development Medal**
2022	NUS	**SPM Book Prize**

Teaching

2025/26	UofT	MAT309 Introduction to Mathematical Logic (Fall)
		MAT337 Introduction to Real Analysis (Fall)
		MAT337 Introduction to Real Analysis (Winter)
2024/25	UofT	MAT137 Calculus with Proofs
		MAT309 Introduction to Mathematical Logic (Fall)
		MAT409 Set Theory (Fall)
2023/24	UofT	MAT223 Linear Algebra (Winter)
		MAT224 Linear Algebra II (Winter)
		MAT309 Introduction to Mathematical Logic (Fall)
2022/23	UofT	MAT133 Calculus and Linear Algebra for Commerce
		MAT223 Linear Algebra (Fall)
2019/20	NUS	CS1231 Discrete Structures (Fall)
		CS1231 Discrete Structures (Winter)

Service

2026	UofT	Organiser for a Directed Reading Program titled *Hindman's theorem and ultrafilters*
2023–25	UofT	Organiser for the Student Set Theory and Combinatorics Seminar
2023	NUS	Organiser for a reading group in the intersection of set theory and recursion theory

Languages

Cantonese	Native
