Education

2022 - 2027 (Expected)	Doctor of Philosophy (Mathematics) Advisor: Spencer Unger	University of Toronto (UofT)
2018 - 2022	Bachelor of Science (Mathematics) with second major in Statistics GPA: 4.95/5.00 (Highest Distinction)	National University of Singapore (NUS)

Papers/Preprints

- **Full mad families of vector spaces and two local Ramsey theories**, to appear in *Fundamenta Mathematicae*.
- **Weak A2 spaces, the Kastanas game and strategically Ramsey sets**, to appear in the *Journal of Symbolic Logic*.

Invited Talks

Feb 2026	There is a completely separable mad family of vector spaces , Set theory seminar, University of Toronto, Ontario, Canada
Nov 2025	Projections between topological Ramsey spaces (Lightning talk), Infinite Structural Ramsey Theory, Banff International Research Station, Alberta, Canada
Oct 2025	Definability of mad families of vector spaces and the fullness property , North American Descriptive Set Theory Meeting, Brin Mathematics Research Center, Maryland, USA
Mar 2025	Mad families of vector spaces , Set theory seminar, University of Toronto, Ontario, Canada
Feb 2025	Weak A2 spaces, the Kastanas game and strategically Ramsey sets , Logic seminar, University of Waterloo, Ontario, Canada
Nov 2024	An alternative proof to the Mathias-Silver theorem using the Kastanas game , 2024 CMS Winter Meet, British Columbia, Canada
Oct 2024	Weak A2 spaces, the Kastanas game and strategically Ramsey sets , Logic seminar, University of Maryland, Maryland, USA
Mar 2024	Weak A2 spaces and Ramsey games , Set theory seminar, University of Toronto, Ontario, Canada

Awards

2026	UofT	Daniel B. Delury Teaching Assistant Award (Awarded to graduate students who demonstrated exceptional TA work)
2025	UofT	John Robert Gilkison Smyth Mathematics Scholarship (Awarded to graduate students who demonstrated academic excellence)
2025	UofT	Ida Bulat Memorial Graduate Fellowship (Awarded to graduate students who demonstrated academic excellence)
2024	UofT	Margaret Haviland Kennedy Memorial Scholarship Fund (Awarded to graduate students who demonstrated academic excellence)
2022	UofT	Blyth Fellowship (Awarded to incoming graduate students who exhibited excellent academic records)

Teaching Experience

NUS	CS1231 Discrete Structures	Fall 2019, Winter 2020
UofT	MAT133 Calculus and Linear Algebra for Commerce	AY 2023/24
UofT	MAT137 Calculus with Proofs	AY 2024/25
UofT	MAT223 Linear Algebra	Fall 2022, Winter 2024
UofT	MAT224 Linear Algebra II	Winter 2024
UofT	MAT309 Introduction to Mathematical Logic	Fall 2023, Fall 2024, Fall 2025
UofT	MAT337 Introduction to Real Analysis	Fall 2025, Winter 2026
UofT	MAT409 Set Theory	Fall 2024

Service

2023	NUS	Organiser for a reading group in the intersection of set theory and recursion theory
2024–2025	UofT	Co-organiser for the Student Set Theory and Combinatorics Seminar
2026	UofT	Organiser for a Directed Reading Program titled <i>Hindman's theorem and ultrafilters</i>

Language Proficiency

Cantonese	Native
English	Fluent
Mandarin	Fluent
Japanese	JLPT N1
